### *Reflection Circle Guide*

---

#### **Part I**

Reflecting with Dominic:

Invite Dominic to speak to you about a hope, dream, or challenge he holds for us, his followers today.

What do I believe is a distinct gift our world needs from our charism today?

#### **Part II**

1. In reflecting on the material, what surprised you most about what you have read and heard?
2. What was most significant for you about the information gathered in Step 1?
3. Was there anything in the information which challenged you or caused resistance within you? If so, what was it and could you say why?
4. Do you have anything to add?
